

Children & Families' Worker

Summary:

An exciting new role, to help develop our growing work with children and families.

Background:

St Alban's serves the community of Beacon Hill and Hindhead. We have a mixed congregation but could be described as open-evangelical. Our mission statement is: 'Welcoming Everyone, Following Jesus, Sharing Life'. We are part of a joint benefice, with St. John's in Churt, and the home of the Acorn Christian Healing Foundation and the local New Wine Leaders' Network.

We believe that children are not just the church of tomorrow, but part of the church of today. Therefore, we have always worked with children and their families. We offer Junior Church every Sunday, as well as an All-Age service once a month. In the past, we ran Messy Church and have recently started 'Lego Church'. Other activities have included Light Parties, Pet Services and Holiday Clubs. We have a popular toddler group every week. We enjoy strong links with the local primary school and have run assemblies and special services. We have also provided parenting courses.

We are blessed with a team of hard working and experienced volunteers. The number of children varies, and on Sundays this ranges from 4 to 20. Recently, we have launched a youth group for our older children. Through our various ministries and engagement with the community, we connect with many children and adults. Events such as Christingle and our drive-in 'Car-ol Service' attract hundreds of visitors.

St. Alban's is in SW Surrey, 13 miles south of Guildford, and near both Haslemere and Farnham. We are less than an hour from London and the coast, and from both Heathrow and Gatwick. We are set in beautiful countryside, including the popular Devil's Punchbowl. The area attracts many families, particularly those moving from London. There is a strong sense of community, and the church is very much a part of village life.

Role:

This could be full time, part time, or a job share. We offer great flexibility, as we believe that the key factor is finding the right person. The main responsibilities are to work with a team of volunteers to develop our growing work with children and families. To draw, develop and disciple a new generation in the Christian faith.

- Work with leaders to identify skills and talents, and nurture and develop these to grow teams of volunteers.
- Commitment to the wider life of the Church so to build relationships with all.
- Comply with relevant Safeguarding, and other policies, including ensuring compliance by other leaders.
- Meet regularly with the volunteers for planning, learning and support.
- Think strategically, initiate projects, and work with others to set achievable objectives.
- Undertake other duties as may reasonably be required.
