Eco Tips for more sustainable living

Try to find and reduce draughts in your home. Find the gaps that let cold air in and warm air out – keyholes, letter boxes, gaps around windows doors, loft hatches and floorboards for example). Do what you can to fix these gaps – check online for tutorials. Consider using a radiator reflector foil to aid efficient heating.

Lord, the light of your love (419)

Please pray:

For the work of the Bible Society as they seek to help everyone discover the Bible's message for themselves through translation, publishing, distribution, engagement and advocacy programmes throughout the world.

For the situation in the Middle East, Ukraine and Sudan and all those suffering there.

For God's blessing on preparations for the Gift Bank and Community Café.

For all the people receiving a personal invitation to the Gift Bank and Community Café as the flyers are delivered.

For wisdom, compassion and integrity for our Prime Minister, Government and other leaders in positions of influence and authority.

God, our light and our salvation: illuminate our lives, that we may see your goodness in the land of the living, and looking on your beauty may be changed into the likeness of Jesus Christ our Lord. Amen.

Lord Jesus, light of the world, may you shine your light in a dark situation (you choose).

That we will live lightly to allow others and the planet to flourish.
